Dr. Tony Proffitt

Precision Viticulture Australia

'Precision Viticulture technologies and the use of spatial information in Australian vineyards'

PUBLIC LECTURE

Friday April 25, 2014

3-4 pm

Agricultural Sciences

Building 11 - Room 104

Tony commenced his career in agriculture during the 1980s. He has since worked in the technical, consultancy, extension and educational sectors of the Australian wine industry since 1995. Tony spent five years with Southcorp Wines (now known as Treasury Wine Estates) and then joined AHA Viticulture/Precision Viticulture Australia where he is currently employed. He also lectures at Curtin University, and has co-authored two text books: Precision Viticulture - a new era in vineyard management and wine production, published in 2006, and The Grapevine - from the science to the practice of growing vines for wine, published in 2011.
