

SUSTAINABLE WINEGROWING WORKSHOP: *Water & Energy Efficiency*

April 1, 2015

9:00am-2:00pm

Santa Ynez Valley Marriott

Lunch Provided

Presented by:

CALIFORNIA
SUSTAINABLE WINEGROWING
ALLIANCE

SANTA BARBARA VINTNERS

**Thank you to our Sponsors:
Southern California Edison,
Pacific Gas & Electric
Company, and Southern
California Gas Company**

This free workshop will cover:

- Energy efficiency opportunities and available rebate and incentive programs for wineries and vineyards (variable frequency drives, LED lighting, process water technologies, pump efficiency, alternative energy and more)
- Sustainable winery water management and water use efficiency in the vineyard
- Online water & energy efficiency tools and resources, including CSWA's new Small Winery Water Management Guide and performance metrics tools
- Communicating sustainability and optional self-assessment session

Location: Santa Ynez Valley Marriott, 555 McMurray Road, Buellton

Sign up for a self-assessment login: http://www.sustainablewinegrowing.org/online_participant_form.php
