

AGRICULTURAL FLOW METER REBATE PROGRAM

The **Vineyard Team** is pleased to announce a new partnership with **Pacific Gas & Electric Company** and **San Luis Obispo County Energy Watch** to provide cost share incentives for growers to purchase and install flow meters. The program is limited to commercial vineyard operations (5 acres or larger) that are currently served by PG&E.

This program will rebate 50% (not to exceed \$750) of the cost to purchase and install a flow meter as per manufacturer's instructions. Growers are encouraged to initiate the process immediately because funds are limited and will be offered on a first come, first serve basis.

GROWERS MAY ENROLL FOR THE PROGRAM BY TAKING THE FOLLOWING STEPS:

1. Initiate registration process with the Vineyard Team:
Email the following information to **Fritz Westover, Technical Program Manager**
fritz@vineyardteam.org | 805.466.2288:
 - Grower Name • Vineyard Name • Vineyard Location
 - Mailing Address • Phone Number • Email
 - Copy of PG&E Bill Associated with the Vineyard
2. Upon registration confirmation from the Vineyard Team, contact approved dealer to arrange a site visit and receive a written quote (including a picture of the proposed meter location) for purchase and installation of flow meter as per manufacturer's instructions:
Bill Bilek, CalWest Rain
billb@calwestrain.com | 805.226.8990
3. If grower intends to move forward with the project, forward a copy of the quote to the Vineyard Team **within three weeks** of initial registration and coordinate with dealer to proceed with the installation.
4. Upon completion of the installation and full payment for the project, grower must provide the Vineyard Team with a copy of the final invoice, which includes a final picture of the installation and proof of payment.
5. Upon review and verification of the above documentation, Vineyard Team will reimburse the grower directly by check for 50% of the total cost, not to exceed \$750. Final documentation must be received by May 15, 2014 to be eligible for the rebate.

All inquiries should be directed to **Fritz Westover, Technical Program Manager for the Vineyard Team:**
